The following is an examiner's statement of reasons for allowance: the amended features in the claims that newly recite that the inner and outer wells formed around the periphery the base have differing depths are deemed to be features not taught in carriers of the prior art cited of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to S. V. Clark at telephone number (571) 272-1725.
